

The Bible provides us with many answers no matter how big or small the question is.

It even provides us with very important questions like "When is RAPE ok?"
According to the Bible & GOD there are at least 6 occasions where rape is acceptable.

1 When Used to make one suffer

In **Isaiah 13:15-18** Isaiah shares his Prophecy telling us that God is going to make the Babylonians suffer by having their wives raped. Having their children dashed to pieces before their eyes and destroying their city is apparently not enough to torture them.

"Every one that is found shall be thrust through; and every one that is joined unto them shall fall by the sword. Their children also shall be dashed to pieces before their eyes; their houses shall be spoiled, and their wives ravished. Behold, I will stir up the Medes against them, which shall not regard silver; and as for gold, they shall not delight in it. Their bows also shall dash the young men to pieces; and they shall have no pity on the fruit of the womb; their eyes shall not spare children."

2 When they are young girls

(and you conquered their city)

In **Numbers 31:17-18** during a battle directed by God, Moses tells his soldiers to kill all the men, boys, and women but to take all the **girls**, that are still virgins, for themselves. The only reason lonely soldiers would need girls that are both young and virgins is to use them as sex slaves. Remember that Moses was still seen as a good person in the eyes of the Lord at this point, even after ordering rape and child molestation.

"Now therefore kill every male among the little ones, and kill every woman that hath known man by lying with him. But all the women children, that have not known a man by lying with him, keep alive for yourselves."

3 When it is a female slave

(and you have a gift for her owner)

Leviticus 19:20-22 talks about what you must do if you rape or sleep a slave girl. The girl will not be punished by death, but **only because she is the property of someone else**. The rapist however must present the owner of the girl with a gift such as a ram and then everything will be considered ok in the eyes of the Lord.

"And whosoever lieth carnally with a woman, that is a bondmaid, betrothed to an husband, and not at all redeemed, nor freedom given her; she shall be scourged; they shall not be put to death, because she was not free. And he shall bring his trespass offering unto the LORD..." "for his sin which he hath done: **and the sin which he hath done shall be forgiven him.**"

4 When avoiding homosexuality

According to **Judges 19:24** men being raped by men is not ok, for it is an act of homosexuality; but offering your daughter or wife to be raped as a means to avoid an act of homosexuality is ok.

"Behold, here is my daughter a maiden, and his concubine; them I will bring out now, and humble ye them, and do with them what seemeth good unto you: but unto this man do not so vile a thing."

5 When punishing your neighbor

In **2 Samuel 12:11-14** God punishes David by giving his wife to his neighbor to be raped in broad daylight.

"Thus saith the LORD, Behold, I will raise up evil against thee out of thine own house, and I will take thy wives before thine eyes, and give them unto thy neighbour, and he shall lie with thy wives in the sight of this sun."

6 When attacking Jerusalem

According to **Zechariah 14:1-2** there will come a day when God will cause a battle against Jerusalem and have all the women raped.

"Behold, the day of the LORD cometh, and thy spoil shall be divided in the midst of thee. For I will gather all nations against Jerusalem to battle; and the city shall be taken, and the houses rifled, and the women ravished; and half of the city shall go forth into captivity, and the residue of the people shall not be cut off from the city."

Isn't rape immoral?

Thankfully the Bible has an answer for that too. According to the Bible women were only created for man and they are actually just the property of man.

Deuteronomy 22:23-24/21:10-14
Exodus 20:17/21:7-11/22:16-17

Despite what the Bible says rape is NEVER ok!

The Bible on Sex Crimes

In Chapter 20 of Leviticus God specifies punishments for a whole list of sex crimes he considers inappropriate. This chapter covers everything from homosexuality and incest to sex with animals. However this chapter doesn't say a single thing in objection to rape or child molestation.
